

# Malawi

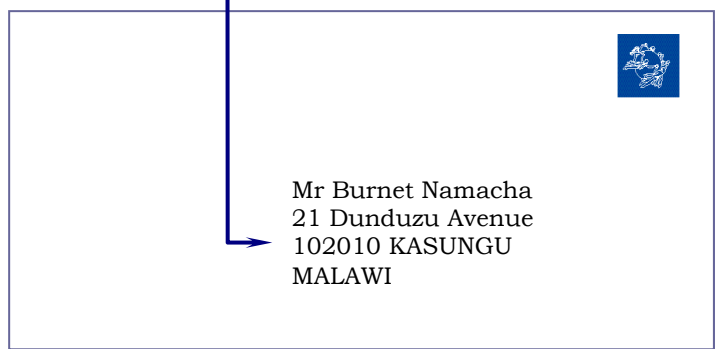

## Postcode

### Postcode type and position

The postcode has six digits before the locality.

## Codification

1 20 209

## Position of the address on the envelope

Bottom right-hand corner

## Alignment of address lines

Left-aligned

## Address format

The elements per line for a physical address, as well as the number of address lines, will depend on whether the area is urban or rural, or is a postal address.

- Locality means the name of the city, locality, town, municipality or Traditional Authority (abbreviated: "T/A").
- "District" means the name of the administrative region or province.
