**Bulgaria (Rep.)**

**Postcode**  
**Postcode type and position**  
4 digits to the left of the locality name.

**Coding method**  
```
4 0 0 0
```

**Position of the address**  
Bottom right-hand corner

**Alignment of address lines**  
Left-aligned

**Address format**  
The address should comply with the following rules:
- international addresses are written in Latin alphabet
- domestic mail addresses are written in Cyrillic
- the return address should appear in the upper left corner of the face of the envelope or in the upper part of the back flap of the envelope
- the return address should follow the same format as the delivery address
- it is recommended that below the addressee name a telephone/mobile number is added.
