

New Caledonia

French Overseas Territory

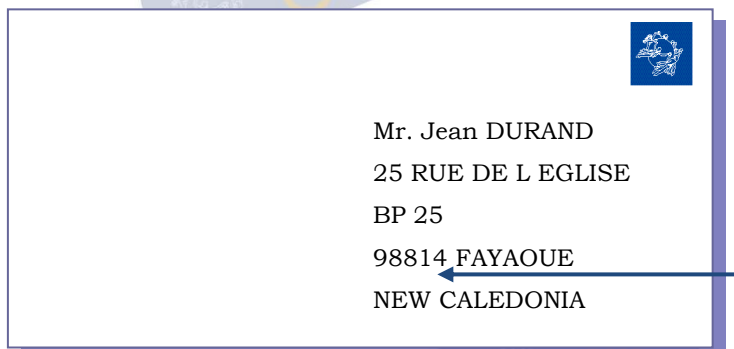

Postcode

Postcode type and position

5 digits to the left of delivery office name.
Postcodes of the French overseas department and territories all begin with 97 or 98.
The third digit identifies the territory (8 for New Caledonia).

Coding method

9 8 8 1 4

Position of the address on the envelope

Bottom right-hand corner

Alignment of address lines

Left-aligned

Address format

France's recommendations for the compilation of the address are applicable. For further details, please see the sheet "France"

Special note: You can subscribe renting a post office box in another location than its geographic address. Accordingly, the letter must be sent to a street address or a PO box address, but the gepostal address is prohibited on the sent items.

In New Caledonia, only NOUMEA has the service CEDEX. The CEDEX makes profit from particular services of distribution. Never remove this mention of an address because your sending will not profit any more from the particular treatment of the CEDEX correspondences.
