

# Bermuda

## Overseas Territory of the United Kingdom of Great Britain and Northern Ireland

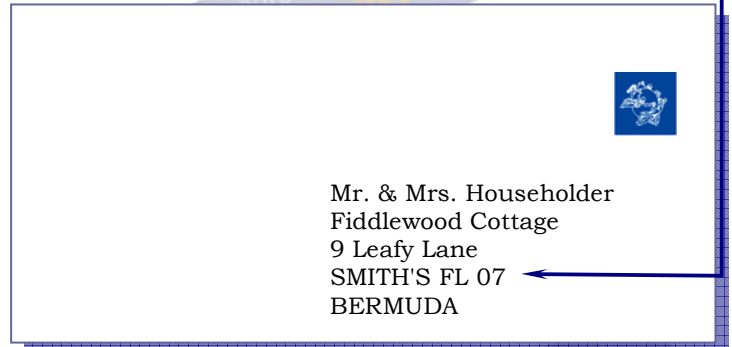

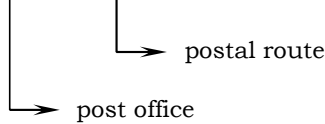

### Postcode

#### Postcode type and position

4 alphanumeric characters to the right of the locality name, with a space between the 2nd and 3rd.

### Coding method

**FL 07**

### Address format

The postcode consists of two letters and two digits separated by a space (AA NN). For P.O. Boxes, the postcode consists of four letters separated by a space between the 2nd and 3rd letters (AA AA).

In P.O. Box addresses, the first two characters of the postcode also appear before the P.O. Box number (HM in the second example below).

Otherwise, the address should include the name of the house and the street number and name.
