Slovakia – New postage stamp

Dear Sir/Madam

The postal administration of **SLOVAKIA** asks me to inform the UPU member countries of the following:

"Slovenská pošta, a.s., has issued a postage stamp entitled "Greeting Stamp – Bunch of Flowers". The date of issue was 14 February 2007, and the stamp is inscribed "T2 50 g", corresponding to the postage for a second class letter up to 50 grammes in the domestic service.

"The stamp depicts a bunch of flowers. The artist won a stamp design competition.

"The stamp measures 23 x 26 mm to the outer edge of the perforations.

"The stamp is valid in both domestic and international services until further notice."

Yours faithfully,
