Hungary (Rep.) – Non-denominated stamps

Dear Sir/Madam

The postal administration of the **REPUBLIC OF HUNGARY** asks me to inform you that on 1 August 2007, Magyar Posta will issue books of stamps containing four non-denominated stamps, depicting typical Hungarian flowers, in two categories: "Europe" and "outside Europe". Non-denominated stamps of both categories can be used for international priority letters up to 20 g. They will be priced at the current rates.

The postal administration of Hungary asks its postal partners to consider the postage on these items as having been duly prepaid.

Yours faithfully,

K.J.S. McKEOWN  
Director of Markets Development
