Slovakia – Issue of postage stamps with no
indication of face value

Dear Sir/Madam

The postal administration of **SLOVAKIA** asks me to inform the postal administrations of UPU member countries of the following:

On 1 January 2008, Slovenska posta, a.s. issued a special postage stamp marking "15 years of the Slovak Republic" inscribed "T1 50g", which corresponds to the postal tariff for a first class letter up to 50 grammes in the domestic service. The postage stamp will be valid in both the domestic and international services from 1 January 2008 until it is withdrawn.

Yours faithfully,

K.J.S. McKEOWN
Director of Markets Development
