

Morocco – Launch of Poste Maroc online  
philatelic shop

Dear Sir/Madam,

The designated operator of **MOROCCO** wishes to inform the designated operators of UPU member countries of the following:

"As part of its development of philately, in June 2009 Poste Maroc launched a new online philatelic shop at <http://philatelie.poste.ma>.

"This enables customers to buy stamps and philatelic products online and subscribe to the year's special issues.

"Philatelists and collectors can buy Moroccan stamps and other products easily and safely. They can also look up stamps by subject and year of issue, find out about the history of the Post in Morocco, and gain access to stamp-related addresses and links.

"The stamps listed on the site at <http://philatelie.poste.ma> are numbered in accordance with the UPU's WNS numbering system.

"The Poste Maroc focal point for philately is:

Division philatélie  
Pôle Courrier  
Barid Al-Maghrib  
Boulevard Moulay Ismaïl
