

Dear Sir/Madam,

SLOVENIA wishes to inform the designated operators of UPU member countries of the following:

"On 27 November 2009, Slovenia Post released a new official set of personalized stamps with various designs and frames. The A, B, C and D-rate frames celebrating love, and life's special occasions such as birthdays, are white and red in colour and of horizontal or vertical format. The frames also bear the inscription "Pošta Slovenije" and the company's logo (the post horn). The same frames will be used by our customers to design their own stamps.

"The stamps are printed in sheets of 20 self-adhesive stamps (four different sheets) and will be distributed to philatelic subscribers together with all the other definitive and special stamps issued in the second half of 2009 by the end of the year."

Yours faithfully,

K.J.S. McKeown
Director of Markets Development
