

Dear Sir/Madam,

The designated operator of **LITHUANIA** asks us to inform the UPU member countries of the following:

"The following illegal issues are for sale on an Internet site:

- Small sheet with two perforated stamps, Lithuania Liberation Army, dated 2011, with nominal value "C";
- Small sheet with 10 stamps and 2 labels, Lithuania Liberation Army, dated 2011, with nominal value "C";
- Small sheet with eight perforated stamps, Lithuania Scouts 100-year Anniversary 1918–2008, dated 2008, with nominal value "C".

"The Lithuanian Post confirms that these illegal issues are not stamps officially issued by Lithuania, and that they are not valid as evidence of payment of postage. It strongly condemns these illegal issues.

"The Lithuanian Post asks that all UPU member countries take the necessary action against these illegal issues according to their own laws and regulations."

Yours faithfully,

K.J.S. McKeown  
Director of Markets Development
