Nicaragua – Change of postage for
international parcels

Dear Sir/Madam,

The designated operator of **NICARAGUA**, Correos de Nicaragua, wishes to inform the designated operators of UPU member countries that, on 9 May 2013, Correos de Nicaragua introduced a new system for denoting postage for international parcels. A "postage paid" indicia (see Annex 1) will now be used in place of postage stamps on all international parcels.

Yours faithfully,

Alassane Guiro
Acting Director of Markets Development
