

Señora, Señor:

El operador designado de **ZAMBIA**, Zambia Postal Services Corporation, me pide que comunique a los operadores designados de los demás Países miembros de la Unión lo siguiente:

«Zambia Postal Services Corporation aprovecha esta oportunidad para confirmar y señalar que, de acuerdo con su legislación interna y el artículo 8 del Convenio Postal Universal, Zambia Postal Services Corporation es la única autoridad oficial y el único operador designado en el territorio de Zambia que está facultado para emitir y difundir sellos de Correos en nombre de Zambia en virtud de la legislación nacional.

El Correo de Zambia descubrió hace poco, gracias a la comunidad filatélica, que una serie de 33 hojas con 36 sellos está siendo distribuida y vendida por Internet como si se tratara de sellos de Zambia. El Correo de este país confirma que estas emisiones son ilícitas y no constituyen un comprobante de franqueo válido. Zambia denuncia y condena enérgicamente el diseño, la impresión y la venta de estas emisiones ilícitas. Esta actividad lamentable causa un perjuicio moral y económico a nuestro país. Las personas inescrupulosas responsables de estas emisiones buscan perjudicar la buena reputación de nuestro país haciendo circular sellos de Correos supuestamente emitidos por Zambia. En el anexo 1 figura una descripción detallada de los citados sellos que, además, no guardan relación alguna con la cultura y el patrimonio de Zambia.

Zambia Postal Services Corporation denuncia también, con la mayor firmeza, estas emisiones ilícitas y condena las acciones reprobables conexas, de conformidad con el artículo 11 del Convenio Postal Universal y la recomendación C 26/2008 (Deontología filatélica destinada a los Países miembros de la Unión) del 24º Congreso de la UPU.

Por consiguiente, el Correo de Zambia apela a la cooperación, la solidaridad y el apoyo de todos los Países miembros de la Unión y de sus órganos para prohibir la venta y circulación de los sellos ilícitos de acuerdo con su legislación y reglamentación respectivas así como con las disposiciones del Convenio Postal Universal y adoptar todas las medidas necesarias y apropiadas para llevar ante la justicia a los autores de estas emisiones ilícitas. La producción y venta ininterrumpidas de emisiones ilícitas es una actividad peligrosa que perjudica no sólo a la filatelia y la reputación del país interesado, sino que daña también a todos los países y al sector postal en sentido amplio.»

Sírvase aceptar, Señora, Señor, la seguridad de mi mayor consideración.

Raquel Ferrari  
Directora interina de Desarrollo  
de Mercados

## Anexo 1
