

Dear Sir/Madam,

The designated operator of **LESOTHO**, Lesotho Postal Services, asks me to inform the designated operators of UPU member countries of the following:

"Lesotho has become a victim of the production and distribution of illegal stamps in its name, and it seeks the support and assistance of UPU member countries to combat this problem.

"Lesotho Postal Services takes this opportunity to confirm and underline that, in accordance with the national legislation of Lesotho and article 8 of the 2012 Universal Postal Convention, Lesotho Postal Services represents the sole official authority and only designated operator on the territory of Lesotho that is entitled to issue and circulate postage stamps in the name of Lesotho under the country's legislation.

"Lesotho Postal Services has recently discovered, thanks to the philatelic community, that a series of 30 sheets, involving 30 individual stamps, are being sold and distributed over the Internet as if they are stamps in the name of Lesotho. Lesotho Postal Services confirms that these are illegal issues and that they are not valid as evidence of the payment of postage, and it strongly denounces and condemns the designing, printing and selling of such illegal issues. This regrettable activity is causing moral and economic harm to our country. The unscrupulous individuals responsible for these acts are seeking to undermine our country's reputation and good name by circulating postage stamps which they claim have been issued by Lesotho. The annex contains a more detailed description of the illegal issues that, furthermore, have no link to Lesotho's culture and heritage.

"Lesotho Postal Services denounces these illegal issues in the strongest possible terms, and condemns the related reprehensible actions in accordance with article 11 of the 2012 Universal Postal Convention, as well as resolution C 26/2008 (Philatelic Code of Ethics for the use of UPU member countries) of the 24th UPU Congress.

"Consequently, Lesotho Postal Services is calling upon the cooperation, solidarity and support of all member countries of the Universal Postal Union and its bodies to prohibit the sale and circulation of the illegal stamps according to their own laws and regulations, as well as the provisions of the Universal Postal Convention, and to help Lesotho take all necessary and appropriate measures to bring the perpetrators of the illegal stamps to justice. The continued production and sale of illegal issues is a dangerous activity which is not only harming the philately and the reputation of the country concerned, but is detrimental to all countries and the wider postal sector."

Yours faithfully,

Murray Buchanan
Director of Economic and Regulatory Affairs
