BEAUTY OF THE NATIVE LAND

Russia is a unique, beautiful and hospitable country.
An encounter with our vast country will turn into a fascinating, unforgettable journey. Postage stamps are a kind of calling cards of the country. Valuable postal matter reaches the back of beyond; it easily gets through state boundaries telling the inhabitants of the planet about Russia in a special expressive language.
The subjects of modern postal miniatures are diverse: rich fauna and flora, multinational state structure of the Russian Federation, or unique objects entered in the UNESCO World Heritage List.
