

Bulgaria (Rep.)

Postcode

Postcode type and position

4 digits to the left of the locality name.

Coding method

4 0 0 0

Position of the address

Bottom right-hand corner

Alignment of address lines

Left-aligned

Address format

The address should comply with the following rules:

- international addresses are written in Latin alphabet
- domestic mail addresses are written in Cyrillic
- the return address should appear in the upper left corner of the face of the envelope or in the upper part of the back flap of the envelope
- the return address should follow the same format as the delivery address
- it is recommended that below the addressee name a telephone/mobile number is added.
