Postcode

Postcode type and position

5 digits to the left of locality name.

Coding method

0 0 1 4 4

SIG. MARIO ROSSI
VIALE EUROPA 22
00122 ROMA RM
ITALY

Address format

The address should be composed of a minimum of 3 lines and a maximum of 6 lines:

Line:	Description:	Mandatory:
1	Recipient: Title, first and last name, or company name	yes
2	Extra information describing the recipient	no
3	Building: stairway, floor, apartment number, suite number etc...	no
4	Address: street name and number or P.O box number	yes
5	Locality: postcode, city or town and abbreviation of the province	yes
6	Foreign country: only for outbound mail	no

- Line 4, 5 and 6 must be written in capital letters. However, it is preferable to have all lines of the address written in capital letters.
- Avoid using punctuation marks, underlining and special characters especially in lines 4, 5 and 6.
- Indicate the street number after the street name, never before.
