

1. What is the estimated workload for the consultant? Is it a full-time position? If not, how many days per month are expected?

It is a full-time position.

2. How many days per month do you expect the consultant to be on-site in Bern?

We expect the consultant to follow UPU staff guidelines, which currently stipulates 3 days per week at the office for a 100% position.

3. Would you only accept to engage a single consultant, or would you accept a duo, combining postal expertise with technical data proficiency?

We intend to engage a single consultant, not a consortium or several individuals.

4. How many consultants are you looking for in this RFP (we understood one - please confirm).

We are looking for as single consultant, full-time.
