

UPU EDI messaging standards – Order form

This form allows you to order UPU EDI messaging standards. There are two possible types of order:

- a one-time order, for one or more specific standards;
- a yearly subscription, providing access to all EDI messaging standards and subsequent updates.

The complete list of published EDI messaging standards is available in the **catalogue of UPU standards**, accessible on the UPU website at www.upu.int/en/Postal-Solutions/Programmes-Services/Standards.

One-time order

Price per standard

- for UPU members: 250 CHF
- for non-UPU members: 500 CHF

Standards are delivered in digital format (PDF) via e-mail.

Please enter the desired standard number(s) and name(s): e.g. S33, ITMATT V1; M40, EMSEVT V2

Yearly subscription

A yearly subscription provides access to all EDI messaging standards and any subsequent updates issued during the calendar year in which the subscription is taken out.

The subscription is renewed automatically each year unless otherwise indicated by the subscriber to the UPU.

Standards are. CD-ROM delivery is available upon request. Download instructions and subsequent delivery notifications will be sent via e-mail to the address provided in the delivery information below.

Please indicate your selection in the table below:

<i>Type of yearly subscription order</i>	<i>Order (number of units)</i>	<i>Unit price (CHF) UPU members (50% discount)</i>	<i>Unit price (CHF) Non-UPU members</i>
Electronic copy of all M standards, including a single workstation licence	380	760
Usage licence for up to 10 workstations	<input type="checkbox"/>	2,090	4,180
Usage licence for up to 30 workstations	<input type="checkbox"/>	4,180	8,360

To complete your order, please provide the billing and delivery details below and send the form via e-mail to standards@upu.int.
