Short Bio

- Italian national, established in Belgium since 2018
- Master's in International Relations & Diplomatic Affairs, University of Bologna
- Language skills: Italian (Native), English (Fluent), French (Intermediate), Spanish (intermediate)

My experience at IPC and in the postal industry

2023 – ongoing: Manager Strategic Relations

Manage strategic relations for IPC, supporting IPC Strategy implementation and focusing on IPC members and stakeholder engagement in UPU affairs

- Coordination of IPC-UPU cooperation activities and exchange of expertise
- Support the IPC Strategy 2028 development and implementation
- Business and partnership development for IPC services and solutions for the postal network

2022-2023: Manager Reporting Services

Coordination of the production and delivery of high-quality IPC reports to members, UPU DOs and stakeholders.

- Business analysis for reports and enhancement of reporting systems
- Manage reference data and implementation of new standards
- Ensure compliance with UPU requirements in reporting activities
- Support to Head of Strategic Relations and coordination of UPU affairs

2020-2021: EPG Manager

Project management for the IPC-EPG network, gathering 31 European postal operators in a premium postal parcel delivery network.

- Performance monitoring at network level: quality of service KPIs, operations, EDI compliance
- Business facilitation for EPG members: network operations improvements, usage of IT solutions, remuneration & pay-for-performance solutions
