

## Short biography

Following the successful completion of his studies in Business Administration with a concentration in Marketing, he began his career in the consumer goods sector before transitioning to the industrial goods industry. There, he held a range of senior leadership roles across Marketing, Sales, Business Development, and Innovation for industrial products.

In this capacity process management and logistics became part of his field of experience. He was a driver in the deployment of Six Sigma Tools in various areas of activity and companies.

Throughout his professional journey, he has gained extensive international experience, acquiring a deep understanding of diverse markets, cultures, and business practices.

Since November 2014, Florian Jungmeier has served as Managing Director of P2 Die Zweite Post GmbH & Co. KG, the network organization of private postal service providers in Germany.

In this capacity, he drives the strategic development of the network, supports last-mile delivery partners, oversees the creation of innovative products and services, manages network organization and coordination, facilitates volume acquisition, and provides guidance to partner companies.

Born in 1966, Florian Jungmeier is married, has two sons, and resides in the southern region of Munich.
