

Yurii Benevytskyi is the Chief Executive Officer of Nova Global, part of the Ukrainian NOVA Group of companies — a leading postal and logistics network operating in more than 200 countries. With over 20 years of experience in logistics, e-commerce, and operations management, he has led major international expansion projects and digital transformation initiatives. Yurii also serves as Chairman of Supernova Airlines, a Ukrainian cargo carrier, and is recognized for advancing innovation, sustainability, and public–private cooperation in the postal sector.

We are committed to actively participating in the Committee's work and are confident that Yuriy Benevytskyi's experience will be a valuable contribution to achieving its goals.
