

## 2026 inward land rates including full bonus for the purposes of application of Convention article 33.4

### Introduction

Table 1 contains the reference 2026 inward land rates (ILRs) for air parcels, including full bonus, and revenues at the average parcel weight of 4.652 kilogrammes of countries in group C. In accordance with Convention article 33.4, a designated operator (DO) classified in group C may substitute the maximum revenue calculated in accordance with Convention article 33.2 and 33.3 with the revenues listed in Col 4 of table 1, provided that the relevant competent authority with oversight for the DO confirms in writing by no later than 1 May 2026 that the domestic parcel tariffs are not set in relation to costs.
