Subject: Registration for the 2022.1 Council of Administration and Postal Operations Council sessions (9–20 May)

Dear Sir/Madam,

Further to our invitation letter 3100(DIRCAB)1027 of 18 March 2022, please find below information regarding registration for, and participation in, the upcoming sessions of the Council of Administration (CA) and the Postal Operations Council (POC).

In view of the improving epidemiological situation, the Swiss Government lifted the majority of measures in place to contain the spread of COVID-19 with effect from 17 February 2022 (including measures concerning entry and stay and the permit requirement for the holding of large-scale events).

As the measures adopted by the Swiss Government are liable to evolve rapidly in the light of the public health situation, delegates planning to attend in person should regularly consult the Swiss Federal Office of Public Health website (www.bag.admin.ch/bag/en/home.html) before travelling to Switzerland.

i Registration of participants and practical information

All delegates from CA and POC members and observers wishing to participate in the sessions **remotely or in person** are required to register through the UPU's Event Management Platform (EMP), accessible at events.upu.int.

/ The guidelines for delegation registration for the sessions can be found in Annex 1, and the Registration User Guide can be accessed at:

[www.upu.int/en/Events/Council-of-Administration-\(S1\)](http://www.upu.int/en/Events/Council-of-Administration-(S1))

[www.upu.int/en/Events/Postal-Operations-Council-\(S1\)](http://www.upu.int/en/Events/Postal-Operations-Council-(S1))

/ Practical information for delegates attending in person can be found in Annex 2.

Registration is compulsory for all delegates. The deadline for registration is 2 May 2022.

ii On-site attendance

Following the Swiss Government's decision to lift the majority of measures in place to contain the coronavirus pandemic with effect from 17 February 2022, the International Bureau (IB) has decided to authorize all delegates of member countries that so wish to participate in the CA and POC sessions on site.

iii Remote participation

Technical details relating to remote participation via the Zoom platform can be accessed at:

[www.upu.int/en/Events/Council-of-Administration-\(S1\)](http://www.upu.int/en/Events/Council-of-Administration-(S1))

[www.upu.int/en/Events/Postal-Operations-Council-\(S1\)](http://www.upu.int/en/Events/Postal-Operations-Council-(S1))

Once you are registered and accredited, go to events.upu.int and click the link to the scheduled meeting.

iv Interpretation costs

During the 2022.1 CA/POC sessions, simultaneous interpretation will be provided.¹ It should be noted that the cost of the interpretation services will be divided among the participating countries (CA/POC members and observers). Information on the choice of languages by UPU member countries at CA/POC meetings is contained in the relevant articles of the Rules of Procedure of the two bodies.

/ Accordingly, UPU member countries that are not members of the CA/POC but will be participating as observers at the 2022.1 CA/POC sessions are asked to inform the IB, using the form provided in Annex 3, of the language(s) that they wish to use.

v Focal point for contact relating to the work of CA/POC bodies.

/ To facilitate communication between CA/POC members and the IB secretariat, all CA/POC members were asked before the last session to notify the secretariat of their focal point for contacts relating to the work of the CA/POC bodies. Any countries that have not yet done so are kindly asked to complete and return the form in Annex 4 **by 18 April 2022**.

Yours faithfully,

Masahiko Metoki
Secretary General

Practical information for all participants in the 2022.1 Council of Administration (CA) and Postal Operation Council (POC) sessions

Guidelines for delegation registration

1 With a view to facilitating the registration of member country delegations and other eligible participants for the 2022.1 CA and POC sessions, the International Bureau (IB) would like to remind all prospective participants of the following guidelines and step-by-step process for successful registration.

Step 1 – Notification to the IB of the responsible entity and accreditor and of the composition of the delegation (for member countries only)

2 The Event Management Platform (EMP) enables participants to register for all UPU meetings. It streamlines the registration process and helps to ensure that UPU member countries are represented at meetings by individuals duly authorized and empowered by their national authorities. These individuals are referred to collectively as the “delegations”.

3 In this connection, all member countries must provide: i) the name of the entity responsible for providing formal notification of delegates’ names (referred to as the “responsible entity”); and ii) the contact details of the person within the responsible entity who will act as accreditor on the EMP. Most member countries have provided this information in order to register for previous meetings and therefore already have a designated accreditor responsible for validating the registrations of their delegates for the meetings of the bodies of the UPU (Congress, CA and POC).

4 **Member countries are requested to verify that the information sent to the CA/POC secretariat regarding their designated accreditor for the previous CA/POC sessions is still valid.** Member countries that do not have a designated accreditor, or that need to communicate a change of accreditor, are asked to complete the form in Attachment 1 to this annex and return it to the CA/POC secretariat, as appropriate, as soon as possible. Please note that the IB must be notified of the nomination of the designated accreditor by the **competent governmental authority** of the UPU member country concerned, i.e. by the supervising ministry, department, embassy or permanent mission to the United Nations and other international organizations.

5 UPU member countries that have yet to complete this first step are kindly invited to do so without further delay.

Step 2 – Participant registration (for member countries, observers and ad hoc observers)

6 All delegates from CA and POC members and observers wishing to participate in the session **remotely or on site** are required to be registered.

7 Delegates from CA and POC members and observers who registered through the EMP for the 2021.2 CA/POC session (S0) will need to register again using their UPU account. For these delegates, the EMP will pre-complete the registration form with their personal data and will automatically contact the accreditor of the member country or observer concerned, so that registrations currently saved in the system can be accredited again.

8 Delegates from member countries or observers who have not registered previously via the EMP must, however, do so in order to be accredited.

9 If registrants encounter any difficulties during the registration process, they may consult the Registration User Guide, which can be accessed at:

[www.upu.int/en/Events/Council-of-Administration-\(S1\)](http://www.upu.int/en/Events/Council-of-Administration-(S1))

[www.upu.int/en/Events/Postal-Operations-Council-\(S1\)](http://www.upu.int/en/Events/Postal-Operations-Council-(S1))

10 Following registration, prospective participants will receive an e-mail stating that their registration has been received and is pending confirmation.

Step 3 – Participant registration validation by the accreditor (this step is required for confirmation of submitted registrations) (for member countries only)

11 Subject to the formal notification requirements referred to above, accreditors are officials named by the responsible entity of a member country as authorized to accredit the individual pending registrations of that organization's delegation members (see paragraphs 3 and 4 above).

12 As a first step, all accreditors must log in to the EMP and update their profiles. Once logged in to the system, accreditors will be able to review the pending registrations of their delegates (see step 2 above).

13 The accreditor must verify whether the person requesting registration is indeed a member of the organization's delegation. If not, the accreditor is expected to reject the person's registration request. Once the accreditor validates a registration request, the delegate concerned will receive an e-mail stating that his/her registration has been confirmed. Should the accreditor reject a request, the person concerned will receive an e-mail to that effect with the reasons for the refusal.

14 Please note that accreditors also attending the meeting must both register and accredit themselves.

15 Note that participants who are considered observers or ad hoc observers of the CA or POC (e.g. United Nations, restricted unions, Consultative Committee, international organizations) will be validated by the IB and will not be requested to provide the accreditor information referred to in step 1.

Step 4 – Doubts and difficulties encountered during the above processes

16 In case of any doubts or difficulties encountered during the processes described above, UPU member countries and observers are kindly invited to send an e-mail to one of the following addresses:

- For technical issues relating to the EMP: support.events@upu.int;
- For all other issues: ca.secretariat@upu.int and/or poc.secretariat@upu.int.

Practical information for participants attending the 2022.1 Council of Administration (CA) and 2022.1 Postal Operation Council (POC) sessions in person

A. Reimbursement of travelling expenses

For the CA

Pursuant to article 110 of the UPU General Regulations, the representative of each of the members of the CA classified as developing or least developed countries participating physically in its meetings will be entitled to reimbursement of the cost of either an economy class return air ticket or first class return rail ticket, or expenses incurred for travel by any other means, subject to the condition that the amount does not exceed the price of the economy class return air ticket. The travelling expenses of officials accompanying the titular representative are to be borne by the member country concerned. If a member of the CA is represented by the same person or by different persons at meetings at the CA session and at meetings of its bodies sitting in the same place during the period preceding or following the session, the fare will be refunded only once.

For the POC

In accordance with article 116 of the General Regulations, the representative of each of the member countries of the POC considered to be disadvantaged according to the lists established by the United Nations (i.e. least developed countries) and participating in the POC meetings will be entitled to reimbursement of the cost of either an economy class return air ticket or first class return rail ticket, or expenses incurred for travel by any other means, subject to the condition that the amount does not exceed the price of the economy class return air ticket. The travelling expenses of officials accompanying the titular representative are to be borne by the member country concerned. If a member of the POC is represented by the same person or by different persons at meetings at the POC session and at meetings of its bodies sitting in the same place during the period preceding or following the session, the fare will be refunded only once.

B. Privileges and immunities

During their stay in Switzerland, all the delegates of UPU member countries attending the session will enjoy the privileges and immunities outlined in article IV of the Agreement on Privileges and Immunities of the United Nations concluded between the Swiss Federal Council and the Secretary General of the United Nations (dated 1 July 1946), which is applicable by analogy to the delegates of UPU member countries at conferences convened by the Union and during their journey to and from the place of meeting. (See the Agreement in the "Constitution and General Regulations Manual" on the UPU website via the following link: www.upu.int/en/Universal-Postal-Union/About-UPU/Acts#scroll-nav__8).

C. Visas

In view of the improving epidemiological situation, the Swiss Government lifted the majority of measures in place to contain the spread of COVID-19 with effect from 17 February 2022 (including measures concerning entry and stay and the permit requirement for the holding of large-scale events).

As the measures adopted by the Swiss Government are liable to change at any time in the light of the evolving public health situation, delegates planning to attend in person should regularly consult the Swiss Federal Office of Public Health website (www.bag.admin.ch/bag/en/home.html) before travelling to Switzerland

If official confirmation of participation in sessions of the Council of Administration and Postal Operations Council is required in order to obtain a visa, one will be provided by the EMP. To obtain this confirmation,

please complete the visa related fields in the EM. Once a registration is confirmed by the relevant accreditor, the visa letter will automatically be generated and sent by e-mail to the delegate.

D. Accommodation for participants

A list of available hotels can be found on the Berne Tourism website at www.bern.com/en/where-to-stay. Authorized delegates of CA/POC members and observers may make their bookings directly through that website. Note also that the UPU has special rates with certain hotels. The International Bureau (IB) therefore recommends, when making reservations, that CA/POC members and observers indicate that they will be participating in UPU meetings.

Unfortunately, owing to difficulties experienced in the past, the UPU is no longer able to automatically reserve hotel rooms on behalf of CA/POC members and observers.

However, if for special reasons CA/POC members or observers are unable to make the required reservations at their chosen hotel, they may contact the Tourist Office of the City of Berne, located at the main station:
