Discover ALULA

ALULA is a place of extraordinary human and natural heritage.

We invite you to come journey through a living museum of preserved tombs, sandstone outcrops, historic dwellings and monuments, both natural and human-made, that hold 200,000 years of largely unexplored human history. The Kingdom of Saudi Arabia has long been a crossroads of ancient civilisations — a place of deep history, but one that is constantly evolving. ALULA is an extraordinary example of this and you can soon help write the next pages of its history. To know more visit (https://issuu.com/experience_alula/docs/alula_ovg_en_260122/3)

ALULA IS HOME TO A SERIES OF FASCINATING HISTORICAL AND ARCHAEOLOGICAL SITES SUCH AS ANCIENT DADAN, THE CAPITAL OF THE DADAN AND LIHYAN KINGDOMS.
